Pursuant to Rule 11.1 and 11.4 of the California Public Utilities Commission's ("Commission" or "CPUC") Rules of Practice and Procedure, Pacific Gas and Electric Company ("PG&E") files this Motion for leave to file two email communications that contain confidential material under seal. Unredacted versions of the emails are being filed concurrently with this Motion as Confidential Attachment A and Confidential Attachment B. Confidential Attachment A contains confidential material regarding settlement discussions related to the San Bruno OIIs (I.12-01-007, I.11-11-009, I.11-02-016) and a description of the terms of a settlement with a private third-party. Confidential Attachment B contains sensitive third-party commercial information. Pursuant to Rules 11.4 and 12.6 of the Commission's Rules of Practice and Procedure, we ask the Commission to treat this material as confidential.

For the reasons described above, PG&E requests that the Commission grant PG&E's motion to file the confidential versions of the emails attached hereto as Confidential Attachment
