JOINT REPORT REGARDING EVIDENTIARY HEARINGS

Pursuant to the April 18, 2019 Assigned Commissioner's Phase II Scoping Memo and Ruling (the "Scoping Memo"), Pacific Gas and Electric Company, on behalf of the City of San Bruno, the City of San Carlos, the Public Advocates Office, the Safety and Enforcement Division, and The Utility Reform Network (collectively, the "Parties"), submits this Joint Report regarding the Parties' agreement that evidentiary hearings are unnecessary in this matter.

The Parties are close to reaching agreement regarding the contents of a proposed joint record. Accordingly, the Parties agree that it is unnecessary for the Commission to schedule evidentiary hearings in this matter.¹ The Parties expect to proceed according to the schedule set forth in Section 4.1 of the Scoping Memo.

¹ Shell Energy North America ("Shell Energy") is a party to the proceeding but did not participate in the meet and confer discussions regarding the proposed joint record. Shell Energy does not take a position on whether hearings are necessary.

Pursuant to Rule 1.8(d) of the Commission's Rules of Practice and Procedure, representatives of the Parties have authorized PG&E to submit this filing on their organizations' behalf.

Respectfully Submitted,

By: /s/ Steven Frank
