**JOINT STATUS REPORT IN RESPONSE TO THE JULY 12, 2018
RULING OF ADMINISTRATIVE LAW JUDGE MASON**

Pursuant to the Assigned Administrative Law Judge's ("ALJ") May 22, 2018 ruling (the "Meet and Confer Ruling"), and the ALJ's July 12, 2018 ruling, Pacific Gas and Electric Company ("PG&E"), on behalf of the City of San Bruno, the City of San Carlos, the Office of Ratepayer Advocates, the Safety and Enforcement Division, and The Utility Reform Network (collectively, the "Parties"), files this Joint Status Report regarding the Parties' meet and confer discussions.

The Parties have continued to meet and confer regarding the issues outlined in the Meet and Confer Ruling.¹ The Parties have made progress on discovery issues and potential settlement of this matter. The Parties' meetings continue to be positive and productive, and the Parties are hopeful that they can reach a proposed resolution of this matter. The Parties would like to continue discussions to this end.

¹ Shell Energy North America ("Shell Energy") is a party to the proceeding but has not participated in the meet and confer discussions. Shell Energy does not oppose the Parties' procedural request.

Therefore, the Parties respectfully request that the ALJ suspend any further procedural steps in the matter and that the Parties be directed to submit a joint status report on the progress of discussions no later than September 17, 2018.

Respectfully Submitted on Behalf of the Parties,

By: /s/ Steven W. Frank
