Pacific Gas and Electric Company ("PG&E") submits this second status report regarding the Assigned Administrative Law Judge's ("ALJ") September 1, 2017 Proposed Decision (the "Proposed Decision"). Since PG&E's October 2, 2017 Status Report, the Parties have held additional discussions concerning how to proceed in this matter in light of the emails disclosed by PG&E in its September 21, 2017 Motion in Response to the Proposed Decision. On October 17, 2017, the City of San Bruno submitted an email motion for an extension of time to respond to PG&E's Motion, in order to continue discussions with PG&E; the ALJ granted that motion the same day and ordered that responses to PG&E's motion be filed by November 1, 2017. PG&E respectfully proposes that it submit a further status report on November 1, 2017 informing the Commission of the status of these discussions.

Respectfully Submitted,
