Order Instituting Investigation and Order to Show Cause on the Commission's Own Motion into the Operations and Practices of Pacific Gas and Electric Company with Respect to Locate and Mark Practices and Related Matters.

Investigation 18-12-007

**MOTION OF THE SAFETY AND ENFORCEMENT DIVISION
TO FILE ITS RESPONSE TO PACIFIC GAS AND ELECTRIC COMPANY'S
PROPOSED REDACTIONS TO THE SAFETY AND ENFORCEMENT
DIVISION'S INVESTIGATIVE REPORT AND
SUPPORTING ATTACHMENTS UNDER SEAL; [PROPOSED] ORDER**

Pursuant to Rules 11.1 and 11.4 of the California Public Utilities Commission's Rules of Practice and Procedure, the Safety and Enforcement Division (SED) files this Motion to File Under Seal (Motion) its response to Pacific Gas and Electric Company's (PG&E's) proposed redactions to SED's confidential *Investigative Report into the Operations and Practices of Pacific Gas & Electric Company's Damage Prevention and Locate & Mark Programs (SED Report)* and supporting attachments.

In accordance with Ordering Paragraphs 14 and 15 of the Commission's Order Instituting Investigation, PG&E filed its proposed redactions to the confidential *SED Report* and supporting attachments on December 24, 2018 and requested that this material be treated as confidential. Because SED's response to PG&E's December 24 filing, filed concurrently with this Motion, identifies information that PG&E proposes to redact, SED requests leave to submit, under seal, a confidential version of its response.

For the reasons stated above, SED respectfully requests that the Commission adopt the Proposed Order granting its request for leave to file a confidential version of its response to PG&E's proposed redactions to the confidential *SED Report* and supporting attachments under seal. A proposed Ruling granting this Motion is attached.

Respectfully submitted,
