**MOTION OF BOSCH BUILDING GRID TECHNOLOGIES

I. INTRODUCTION

Pursuant to Rule 11.1 of the California Public Utilities Commission’s (“Commission”) Rules of Practice and Procedure, Robert Bosch Start-up Platform North America LLC, Series 2, a statutory series of Robert Bosch Start-up Platform North America LLC, a Delaware limited liability company, doing business as Bosch Building Grid Technologies (“Bosch”), respectfully requests that the Commission grant this motion for leave to withdraw as a party to this proceeding and be removed from the official service list. Bosch also requests that Andrew Yip be removed from the information-only portion of the service list.

II. MOTION

Bosch filed a motion for party status in this proceeding as Robert Bosch LLC on July 24, 2017, and was granted party status by Administrative Law Judges Kelly A. Hymes and Nilgun Atamturk on August 10, 2017. Bosch’s participation in this proceeding was limited to its interest in responding to the Energy Division Straw Proposal on Limited Integration of Demand Response and Energy Efficiency Activities Under Energy Efficiency Applications (A.17-01-013 et al.) and Demand Response Applications (A.17-01-012 et al.), particularly with respect to the proposed non-residential strategies therein. On January 11, 2018, Bosch filed a Notice of Name

Change from Robert Bosch LLC to Robert Bosch Start-up Platform North America LLC, Series 2, a statutory series of Robert Bosch Start-up Platform North America LLC, a Delaware limited liability company, doing business as Bosch Building Grid Technologies.

Bosch will be terminating its operations at the end of this year and will therefore be unable to continue its participation in this proceeding.

III. CONCLUSION

For the foregoing reasons, Bosch respectfully requests that the Commission grant its motion for leave to withdraw as a party and be removed from the official service list.

Respectfully submitted on December 11, 2018,
