**CITY OF SAN JOSE (SAN JOSE CLEAN ENERGY)  
AMENDED THREE-DAY ADVANCE NOTICE OF EX PARTE MEETINGS**

Pursuant to Rule 8.3(c)(2) of the California Public Utilities Commission's  
("Commission") Rules of Practice and Procedure, the administrator of San José Clean Energy  
("SJCE") hereby notifies parties that two ex parte meetings have been granted in the above-  
captioned proceeding. The two meetings are scheduled to occur as follows:

- On Monday, April 8, 2019 at 10:00 a.m. an in-person meeting with Yuliya Shmidt, Advisor, Office of Commissioner Clifford Rechtschaffen, at the Commission's offices in San Francisco; and
- On Tuesday, April 9, 2019 at 10:00 a.m. an in-person meeting with Leuwam Tesfai, Interim Chief of Staff, Office of Commissioner Genevieve Shiroma, at the Commission's offices in San Francisco.<sup>1</sup>

SJCE representatives at each of the two meetings may be Lori Mitchell, Director of Community Energy, SJCE; Jeanne Solé, Deputy Director of Power Resources, SJCE; Luisa Elkins, Sr. Deputy City Attorney, City of San José; and Alicia Priego, consultant and lobbyist for City of San José.

---

<sup>1</sup> This meeting was originally scheduled for April 8, 2019 at 11:00 a.m., however a scheduling conflict with Commissioner Shiroma's office has created a need to reschedule this meeting. SJCE provided timely notice of this meeting on April 3, 2019 and is providing this amended notice to reflect the new meeting date and time.

The purpose of the meetings is to discuss availability of excess Resource Adequacy (“RA”) and issues with the RA capacity market.
