Subject: I.15-11-015, All Party Motion to Extend Briefing Schedule

Judge Mason:

Pursuant to Rule 11.6 of the Commission's Rules of Practice and Procedure, the Safety and Enforcement Division ("SED"), Office of Ratepayer Advocates ("ORA"), The Utility Reform Network ("TURN"), the City of San Carlos, City of San Bruno and Pacific Gas and Electric Company ("PG&E") respectfully request a two month extension to the current briefing schedule. Currently, opening briefs are due January 27, 2017, and reply briefs are due February 17, 2017. We request an extension in these due dates to Friday, Mar. 24 (eight weeks after Friday, Jan. 27) and Friday, Apr. 14 (eight weeks after Friday, Feb. 17).

Although parties have been working towards settlement, it is uncertain at this time if we will be able to do so, and there have been unanticipated delays. Additional time will allow parties to continue narrowing issues, potentially reach additional stipulations, and possibly still reach settlement. In the absence of settlement, we believe the request is necessary to allow parties to best present evidence and briefs in the most efficient manner.

Thank you for your consideration.

Gregory Heiden,

Attorney for the Safety and Enforcement Division
