Subject: I.15-11-015, Ex Parte Communications OII, - Request to Extend Briefing Schedule

To ALJ Mason:

In order to allow settlement discussions to continue, the parties identified below hereby request a two-week extension of the deadlines for opening and reply briefs. Several of the parties are optimistic that settlement can be reached such that a motion to approve a settlement could be submitted by June 14, 2019, which is the current deadline for opening briefs. In the event that parties are unable to submit a motion on June 14, the parties would be amenable to providing a status report on that date. With the two week extension, the new briefing schedule would be:

June 28, 2019: Opening briefs due

August 2, 2019: Reply briefs due

This request is submitted on behalf of the Public Advocates Office, the Safety and Enforcement Division, The Utility Reform Network, the City of San Bruno, the City of San Carlos, and Pacific Gas and Electric Company. Shell Energy North America takes no position on this request.
