**PATTERN ENERGY GROUP 2 LP
THREE-DAY ADVANCED NOTICE OF EX PARTE COMMUNICATION**

Pursuant to Rule 8.4 of the California Public Utilities Commission’s (“Commission”) Rules of Practice and Procedure and Public Utilities Code Section 1701.3(h)(2), Pattern Energy Group 2 LP (“Pattern Development”)¹ hereby gives advanced notice of a set of in-person meetings that will take place on Thursday, May 23, 2019 at the California Public Utilities Commission, in San Francisco, California. The first meeting will be with Sandy Goldberg, Advisor to Commissioner Clifford Rechtschaffen that is scheduled for 1:00-1:30 p.m. The second will be with Amy Reardon, Energy Advisor to Commissioner Martha Guzman-Aceves that is scheduled for 2:00-2:30 p.m. Attendees will be Johnny Casana, and Julie Gill, (Pattern Development).

The purpose of the meetings is to discuss the availability of low cost wind energy and how procurement can considerably reduce ratepayer costs in the near term. There are new developments regarding the availability of regional transmission that Pattern Energy would like the

¹ Pattern Development is a leading global developer of renewable energy and transmission based in California, with more than 5,500 MW of wind and solar projects brought online and a robust pipeline of more than 10,000 GW of wind, solar, energy storage and transmission. Pattern Development’s affiliate, Pattern Energy Group Inc. (“Pattern Energy”) is an independent owner/operator of clean energy projects, listed on the NASDAQ and Toronto Stock Exchange (“PEGI”).

Commission to be aware of because it will materially affect the results of the next IRP and potentially the procurement phase of the 17-18 IRP cycle scheduled for this summer.
