**NOTICE OF POST EX PARTE COMMUNICATIONS OF RISING SUN CENTER FOR
OPPORTUNITY**

Pursuant to Rule 8.4 of the Commission's Rules of Practice and Procedure, Rising Sun Center for Opportunity (Rising Sun) hereby gives this notice of the following ex parte communication. Rising Sun requested and was granted the ex parte meeting, which took place at 505 Van Ness Avenue, San Francisco, CA from 1:30-2:00 PM on Monday, June 17, 2019. Amy Reardon attended on behalf of Commissioner Guzman-Aceves. Jodi Pincus and Julia Hatton attended from Rising Sun.

Discussion included an overview of Rising Sun's mission and programs, challenges with intervenor compensation and how nonprofits' time and expertise is valued, and the importance of including non-energy benefits in cost-effectiveness calculations to ensure equitable energy efficiency services for hard-to-reach and disadvantaged residents. Rising Sun requested that the Commission be attentive to the 3rd Party Solicitation timeline to ensure that contracting is complete in 2019 and new programs ready to launch in January 2020, to avoid a disruption in programming for customers and implementers, and that backup plans be put in place to avoid that disruption.

Respectfully submitted,

Dated: June 19, 2019
