CODECYCLE NOTICE OF EX PARTE COMMUNICATION

Pursuant to Rule 8.2 and 8.3 (c)(2) of the Rules of Practice and Procedure of the California Public Utilities Commission (“Commission”), CodeCycle hereby gives notice of the following ex parte communication over the phone on May 24, 2019 at 12:00 PM for approximately one-half hour. The meeting was with Rachel Peterson, Advisor to Commissioner Randolph. Dan Suyeyasu and Kim Goodrich were in attendance for CodeCycle.

During the meeting, the CodeCycle representatives talked about 1) the challenges faced by building department staff in attempting to enforce the Title 24 Building Energy Efficiency Standards, 2) the value that automated Title 24 enforcement assistance can provide to building departments and to ratepayers, and 3) the value that RENs can provide to ratepayers in this arena, since the RENs can directly assist building departments in ways that IOUs have been unable to do. CodeCycle representatives also discussed the value of steadily bringing energy metrics to the analysis of compliance improvement programs.

Respectfully submitted,

Dated: May 28, 2019
