**JOINT STATUS REPORT IN RESPONSE TO THE MAY 22, 2018
RULING OF ADMINISTRATIVE LAW JUDGE MASON**

Pursuant to the Assigned Administrative Law Judge's ("ALJ") May 22, 2018 ruling (the "Meet and Confer Ruling"), Pacific Gas and Electric Company ("PG&E"), on behalf of the City of San Bruno, the City of San Carlos, the Office of Ratepayer Advocates, the Safety and Enforcement Division, and The Utility Reform Network (collectively, the "Parties"), files this Joint Status Report regarding the Parties' meet and confer discussions. The Parties met on May 30 and June 6, 2018 to discuss the issues outlined in the Meet and Confer Ruling.¹

The meetings to date have been for the purpose of exploring the Parties' positions regarding the questions posed in the Meet and Confer Ruling, and whether settlement of this matter is possible. To date, the meetings have been positive and productive and the Parties would like to continue these discussions, though it is too early to tell whether the Parties will be able to reach agreement regarding the questions posed in the Meet and Confer Ruling.

¹ Shell Energy North America ("Shell Energy") is a party to the proceeding but did not participate in the meet and confer discussions. Shell Energy has been briefed on these discussions and supports the submission of this Joint Status Report.

In order to allow the Parties to continue their discussions, the Parties respectfully request that the ALJ suspend any further procedural steps in the matter and that the Parties be directed to submit a joint status report on the progress of discussions no later than July 31, 2018.

Respectfully Submitted on Behalf of the Parties,

By: /s/ Steven W. Frank
