**JOINT MEET AND CONFER PROCESS REPORT OF THE CITY OF SAN BRUNO,
THE CITY OF SAN CARLOS, THE OFFICE OF RATEPAYER ADVOCATES, THE
SAFETY AND ENFORCEMENT DIVISION, THE UTILITY REFORM NETWORK,
AND PACIFIC GAS AND ELECTRIC COMPANY**

Pursuant to the January 8, 2016 Ruling Directing Parties to Engage in Meet and Confer Process and Setting Prehearing Conference (“Meet and Confer Order”), the City of San Bruno, the City of San Carlos, ORA, SED, TURN, and PG&E (collectively, the “Parties”) submit this Meet and Confer Process Report.

After representatives for SED and ORA were established, the Parties held a telephonic conference on January 25, 2016, and met in person on January 27, 2016. The Parties have made good progress toward developing a framework for the efficient resolution of the issues identified in the OII and Meet and Confer Order through briefing.

The City of San Bruno and City of San Carlos have informed the other Parties that they wish to bring forward additional emails that they believe should be included in this proceeding alongside those identified in the Preliminary Scoping Memo. The other Parties are willing to consider whether it would be appropriate and efficient to recommend that the Commission include these additional emails in this proceeding. The Parties therefore respectfully recommend that the Prehearing Conference be continued to allow time for the City of San Bruno and the City of San Carlos to identify any additional emails, and for the other Parties to consider whether to

recommend that the Commission include them. The Parties also plan to continue to meet and confer regarding the issues identified in the OII and the Meet and Confer Order, including stipulations concerning those communications currently within the scope of the proceeding, and any communications the Parties elect to recommend including.

The Parties respectfully recommend that the Prehearing Conference be continued until the week of February 22, 2016, on a date convenient for the Commission. The Parties would submit another Meet and Confer Process Report two business days in advance of the continued Prehearing Conference. The Parties anticipate that at that time they will be able to propose a schedule for resolving the issues identified in the OII and the Meet and Confer Order, and to identify any other outstanding issues to be addressed at the Prehearing Conference.

PG&E is authorized to submit this report on behalf of the Parties.

Respectfully Submitted,
